

◆ ***Instructions for Oral Presentation***

The official language of the conference is English. An LCD projector will be available in the oral session room. An overhead projector is not available.

You can use your own computer with mini Dsub-15 I/O pins, or the computer prepared by the secretariat. Presenting authors who will use the computer prepared by the secretariat are requested to come to the session room *10 minutes* before the session begins and to install the file for presentation into the computer. Please contact the staffs at the session room or reception desk.

◆ ***Instructions for Poster Presentation***

All materials on the panel should be described in English. Please mount your materials on the panel posting your program number. The thumbtacks will be available at the workshop secretariat desk. The panel is 90 cm wide and 180 cm high.

Materials for Poster presentation should be set up until noon, and taken away by *30 minutes* after the session. Please note that we accept no responsibility for materials that may be left behind, lost, stolen, or damaged. One of the authors is requested for *1 hour* presentation after the session starts.
